SKILLS & INTERESTS

Skills: Attention to detailed, derived from years of legal case studies, filled with minute information and details.

Logical and critical thinking, on the spot decision making, used extensively in long court cases which contradictory statements were clashing. Representing clients in court cases where new information comes to light.

Focus for long periods of time, working under pressure and within time frames, of which many presented tight deadlines.

Interests: Developing intellectual skills, currently deepening my study of programming languages. Search for knowledge and mental growth through philosophical practices. Artistic and Physical hobbies such as music, drawing, cycling and sky gazing. Electronic games, and media such as movies series and specially eastern derived media (korean movies, manga, japanese animation).
